Abraham Lincoln University
Performance Fact Sheet for Associate of Science in Criminal Justice
Calendar Year 2014

The California Private Postsecondary Education Act (CPPEA) of 2009 requires under section 94910 of CPPEA that a school provide information for each program offered in regards to completion rates, placement rates, licensure exam passage rates, and salary/wage information.

Please review the data below and initial and date where indicated. Then please sign on the last page and return to school. Abraham Lincoln University is required to maintain a copy in each student file.

_Associate of Science in Criminal Justice_
Students completing in 24 months: 100% completion rate

¹ "Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² “Students available for graduation” is the number of students who began program minus the number of "Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

³ "Graduates" is the number of students who completed the program within 100% of the published program length.

⁴ "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.
Associate of Science in Criminal Justice
Students completing in 36 months: 150% completion rate

Salary and Wage Information

ALU does not advertise or provide placement services nor does it express or imply that a particular salary may be earned after completing a degree or certificate program. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

Median wages earned for typical graduate occupations are listed below:

<td>$36,740</td>
</tr>
</tbody>
</table>

I have reviewed and understand the section regarding salary and wage information.

____________(Initial)     ____________(Date)

---

\(^1\) "Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

\(^2\) "Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.

\(^3\) "Graduates" is the number of students who completed the program within 100% of the published program length.

\(^4\) "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.
Completion Rates/Placement Rates/License Examination Passage Rates:
These programs are new. There were two graduates in 2013: one obtained employment in the field and one went on to further education. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing these educational programs are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

I have reviewed and understand the section regarding completion rates, placement rates and license examination passage rates.
